Re: Daryl L Smith
Case No: 18-10180

Dear, Judge Papalia:

We are the attorney for the Debtor in this matter. The Debtor has obtained an order to sell the property. Please be informed it is the above Debtor's intentions since the sale feel through the Debtor intends to continue making the Plan payments. Debtor is still trying to sell his home and if he gets a new buyer, he will submit a new motion to sell the property and pay off the plan through the sale of the home at that time.

Thank you.

Very truly yours,

ROBERT C. NISENSEN
